

## VOTING AT THE POLLS ON ELECTION DAY OR DURING EARLY VOTING

If you don't qualify to vote by mail or prefer to vote in person, please keep the following things in mind:

### *Social Distancing*

- Please maintain at least a six foot separation from other individuals when possible.
- Poll workers will be maintaining a six foot separation from each voter when possible. Poll workers will also mark each location with six foot markings for voters to follow.

### *Masks*

- You are strongly encouraged to wear your own mask before you enter the Polling Site and during the voting process. A limited number of disposable masks will be available onsite.
- Each poll worker will be provided with a disposable mask as well as a disinfected face shield.

### *Hand Sanitizer*

- Each Polling Site will have hand sanitizer. However, you are encouraged to bring your own if possible.
- Each poll worker will be instructed to disinfect hands and all work spaces after each voter is processed.

### *Marking Utensil*

- Each voter will be given a disposable marking utensil for use on the Electronic Ballot Marking Device and asked to dispose of it in a nearby receptacle once finished.

### *Stickers*

- Because of the recommendation to keep contact as minimal as possible, voters will not be receiving "I Voted" stickers for the July 2020 Primary Runoff Election.

### **\*\*Curbside Voting\*\***

- If a voter is physically unable to enter the Polling Site without personal assistance or likelihood of injuring the voter's health, they may request that a ballot be delivered to them curbside.

\*\*These precautions may lead to an increased wait time at the Polling Site. Please be patient as we work together to ensure a safe and healthy voting experience.
