Design Contest Will Determine the New 2022 “I Voted” Sticker for El Paso County

The El Paso County Elections Department invites local middle school students to participate in the second El Paso County “I Voted” sticker design contest. The contest is open to all middle school students in the county and the winning design will be used as the official “I Voted” sticker. The sticker will be distributed to voters at all Early Voting Locations and Election Day Vote Centers during the 2022 election season. The deadline to submit a design is Thursday, October 28, 2021.

“The El Paso County Elections Department is excited to extend this contest to El Paso County Middle School students and continue to encourage youth involvement in the electoral process” said Lisa Wise, Elections Administrator.

Once all participating designs are submitted, a first, second and third place design will be selected by a distinguished panel of judges. Judging will be based on the artistic skill, theme, and uniqueness of the design.

Participants must agree to the contest official rules and submit their design by completing an “I Voted” Sticker Design Entry Form and Parental Consent Form. All submissions must be sent via e-mail at, epelections@epcounty.com by 4:45 p.m. on October 28, 2021. More information is available on the El Paso County Elections Department website at www.epcountyvotes.com.
