Role of a Volunteer Deputy Registrar

Distributing and Accepting Applications

You may distribute and accept a completed Voter Registration Application from any resident of El Paso County who wishes to change or correct information on his/her Voter Registration Certificate (such as name or address).

The El Paso County Voter Registrar will provide you with applications containing the county return address. If the El Paso County Voter Registrar does not have enough applications to provide to you, you may print blank applications from www.epcountyvotes.com. These applications should only be distributed to applicants residing in El Paso County. Should you receive generic applications containing the Secretary of State's return address, you can distribute to anyone residing in any county; however, you can only accept applications from those registering within El Paso County.

Assisting Applicants

1. You may assist any resident of El Paso County in completing a Voter Registration Application, if he/she cannot read, or has a physical disability.
2. If an applicant cannot sign his/her name on the application, the applicant may make a mark on the signature line. Print the name of the applicant beside the mark. Sign your name and address as the witness and state the reason the applicant is unable to sign.
3. You may allow another registered voter (or anyone who has submitted a Voter Registration Application) to fill out and sign an application for his/her spouse, parent or child. That person must sign the application as “Agent” and state the relationship to the applicant on the application. The “Agent” must have the permission of the applicant to do this.

Reviewing the Application

Each Voter Registration Application should be reviewed in the presence of the applicant. If the Voter Registration Application does not contain all the required information, including the required signature, the Volunteer Deputy Registrar shall return the application to the applicant for completion and resubmission.

A Voter Registration Application you accept from any resident of El Paso County should include the following:

Voter Registration

Information that Applicants May Wish to Know

VOTER NAME CHANGES

If a voter's name changes, his/her voter registration can be updated by:

1. making the change on the back of his/her Voter Registration Certificate and mailing it to the El Paso County Voter Registrar;
2. submitting a new application form to the El Paso County Voter Registrar and checking the box for "change";
3. writing a letter to the El Paso County Voter Registrar explaining the name change.

VOTER ADDRESS CHANGES

If a voter moves within El Paso County, his/her voter registration can be updated by:

1. making the change on the back of the Voter Registration Certificate and mailing it to the El Paso County Voter Registrar;
2. submitting a new application form to the El Paso County Voter Registrar and checking the box for "change";
3. writing a letter to the El Paso County Voter Registrar explaining the change of address; or

If the voter moves to another county, they must re-register in the county of residence.

Frequently Asked Questions

Frequently Asked Questions

Q: Must I personally be registered to vote in order to serve as a Volunteer Deputy Registrar?

A: No. Pursuant to Section 13.031(d)(3) of the Code, to be eligible for appointment as a Volunteer Deputy Registrar, a person must meet the requirements to be a qualified voter under Section 11.002 of the Texas Election Code, except that the person is not required to be a registered voter.

Q: I have been designated a Volunteer Deputy Registrar from County X. I will be at an event that will have attendees from County X along with County Y and Z. May I register people from County Y and Z?

A: No. Volunteer Deputy Registrar status is conferred on a county-by-county basis. To accept applications for Y or Z counties, you would have to become a Volunteer Deputy Registrar for those counties. You could certainly give applications to the attendees from County Y and County Z and direct them to mail the application to the appropriate county voter registrar's office. Under Section 13.044 of the Texas Election Code, a person commits a Class C misdemeanor by acting as a Volunteer Deputy Registrar when he or she does not have an effective appointment as a Volunteer Deputy Registrar.

Q: May I photocopy a completed application before turning it in to the El Paso County Voter Registrar?

A: No. Section 13.004(c-1) of the Texas Election Code requires that the El Paso County Voter Registrar ensure that certain information, such as the telephone number, on a Voter Registration Application is redacted from photocopies of Voter Registration Applications. In our opinion, this means that a photocopy of an application must come directly from the El Paso County Voter Registrar's office, so that he or she may ensure the required information has been blacked out or otherwise obscured. With that said, we believe that a Volunteer Deputy Registrar may photocopy the receipt. You may also copy the relevant information from the application in writing just as you would be able to do if you went to the El Paso County Voter Registrar's office and pulled a copy of the original Voter Registrar Application.

Frequently Asked Questions

Q: I am a candidate and/or working for a campaign. May I serve as a Volunteer Deputy Registrar?

A: Yes. There is no prohibition against a candidate or a campaign worker serving as a Volunteer Deputy Registrar, as long as they otherwise meet the “Qualifications” and have been officially appointed as a Volunteer Deputy Registrar. Similarly, there is no prohibition against a Volunteer Deputy Registrar registering voters at a campaign rally or event. While working a rally or public event, a Volunteer Deputy Registrar must offer registration to anyone who requests it.

Q: Is there any way for me to become a statewide Volunteer Deputy Registrar?

A: No. Volunteer Deputy Registrar appointments are made on a county-by-county basis. Section 13.032 of the Texas Election Code provides that a county may not refuse to appoint a resident of the county as a Volunteer Deputy Registrar. A voter registrar may not refuse to appoint a Volunteer Deputy Registrar on the basis of sex, race, color, creed, or national origin or ancestry.

Q: Is there a minimum age to become a Volunteer Deputy Registrar?

A: Yes. A person must be at least 18 years of age to become a Volunteer Deputy Registrar.

Q: I just want to hand out blank Voter Registration Application forms and encourage people to register to vote. Can I do that without being appointed as a Volunteer Deputy Registrar?

A: Yes. Anyone can hand out blank Voter Registration Application forms to voters for the voters to fill out and mail in themselves. If this is all you want to do, you do not have to be a Volunteer Deputy Registrar. Also, if you are already a Volunteer Deputy Registrar in one county, you can hand out blank forms in other counties where you are not a Volunteer Deputy Registrar. It is the voter’s handing the application back to you to review and to deliver to the El Paso County Voter Registrar that triggers the requirement to be an authorized Volunteer Deputy Registrar.

Frequently Asked Questions

Q: What if someone says he or she is already registered?

A: You may wish to advise the person that the new application form will be treated as an update of their current voter registration if the change is in the same county and the voter is providing new information. If the person moved to a new county, he or she will need to register to vote in the new county.

Q: As a Volunteer Deputy Registrar, may I appoint others to assist me in registering voters?

A: No. Each Volunteer Deputy Registrar must be appointed directly by the El Paso County Voter Registrar.

Q: May a Volunteer Deputy Registrar bundle completed applications and submit them to the El Paso Voter Registrar by mail?

A: No. There are two methods for a Volunteer Deputy Registrar to submit applications to the El Paso County Voter Registrar. First, the applications may be submitted by personal delivery by the Volunteer Deputy Registrar. Second, the Volunteer Deputy Registrar may give his or her applications to another Volunteer Deputy Registrar for personal delivery to the El Paso County Voter Registrar.

Q: I failed to submit the application to the El Paso County Voter Registrar within the allotted period. What should I do now?

A: Submit the form to the El Paso County Voter Registrar as soon as possible. Under the law, the voter's registration is not impacted by your late delivery to the El Paso County Voter Registrar. However, you should deliver the form as soon as possible. Further delay will create problems in getting the lists ready in time for Early Voting and Election Day. The registration process cannot be completed until you deliver the application. The registration is still effective, and the voter still receives the effective date of submission to you.

Frequently Asked Questions

Q: How long do I have to keep my receipt booklet?

A: It is not addressed in the Texas Election Code, but we would suggest that you should retain the receipt booklet for 22 months following the election closest to the effective date of the applications. Please communicate with the El Paso County Voter Registrar.

Q: If I have previously taken the Volunteer Deputy Registrar examination and have received a certificate of appointment in one county, but would like to be appointed as a Volunteer Deputy Registrar in another county, am I required to take the examination again in the new county?

A: No, you are not required to retake the examination in the new county if you previously took the exam and received a Certificate of Appointment in another county. You should complete and submit a Request for Appointment as a Volunteer Deputy Registrar with the new county. The voter registrar in the new county will appoint you as a Volunteer Deputy Registrar and advise you of any county-specific procedures for completing the duties of a Volunteer Deputy Registrar.
