ELECTION WORKERS

- The term “Election Worker” refers to both Judges and Clerks. Election Workers carry out all procedures in the Vote Center, ensuring all eligible voters who show up at a Vote Center can vote. Election Workers are required to always wear name-identifying badges inside the Vote Center. These badges must include the Election Worker’s name and title or position in the Vote Center (TEC Sec. 61.010(b)). This ensures voters can identify who to seek help from.
- There are two types of Judges in the Vote Center. There is a **Presiding Judge** and an **Alternate Judge**. **Judges must collaborate to oversee the election processes in their assigned Vote Center.**
- The **Presiding Judge** is responsible for the management and conduct of the election at the Vote Center where the Judge serves. All Clerks and the Alternate Judge report to and take direction from the Presiding Judge.
- The **Alternate Judge** serves as backup for the Presiding Judge. If the Presiding Judge is out or must leave for any amount of time, the Alternate Judge shall serve in their absence (TEC Sec.32.001b). The Alternate Judge should be informed and prepared to step into this role, if needed.
- **Clerks** perform a wide variety of duties in the Vote Center. All Clerks must learn to perform all job functions as situations may arise that require Clerks to change roles.
- All Election Workers are expected to follow Federal and State laws related to the conduct of Elections, as well as follow the policies and procedures of the El Paso County Elections office.

ATTENTION VOTER

Texas Election Officials have the honor of sending this notice to the same polling place where you are expected to vote (see 127.0001). In the final minutes of voting, each voter accepts a certified voting system (see 127.0002). This acceptance for a 2006 election means that the voter is accepting the voting machine's system. This system exists to ensure a secure process for the specific participating voters.

- 1. A paper ballot must be used when a voter is using provisional voting (see 167.001).
- 2. A paper ballot must be used when a voter is using a voting system that is not polling their voters without personal attendance (see 167.0012 regarding the voter's own health, e.g. a cardiac event and a voter's physical condition).
- 3. A paper ballot may be used in the event that the Presiding Judge determines that the voter is unable to use the functioning polling system (see 127.0002).

When a voter cannot continue using the remaining equipment without substantially interfering with the operation of the voting system (see 127.0002).

If you have questions or want more information regarding the voting system used in El Paso County, please contact the El Paso County Election Department with your comments at (915) 546-2534. Thank you.

ATENCIÓN VOTANTE

El Jefe Electoral de Texas proporciona a los electores múltiples métodos de votación en el mismo lugar de votación a menos que se especifique lo contrario (ver 127.0001). En el momento de votar, cada votante acepta un sistema de votación certificado (ver 127.0002). Esta aceptación para una elección de 2006 significa que el votante está aceptando el sistema de votación de la máquina de votación. Este sistema existe para garantizar un proceso seguro para los votantes participantes.

- 1. Se debe utilizar una papeleta cuando el votante esté usando un sistema provisional (ver 167.001).
- 2. Se debe utilizar una papeleta cuando el votante esté usando un sistema de votación que no esté atendiendo personalmente al votante (ver 167.0012, por ejemplo, un evento cardíaco y el estado físico del votante).
- 3. Se puede utilizar una papeleta en el caso de que el Jefe Electoral determine que el votante no puede utilizar el sistema de votación que funciona correctamente.

Si el votante no puede continuar utilizando el equipo de votación sin interferir sustancialmente con la operación del sistema de votación (ver 127.0002).

Si tiene preguntas o desea más información sobre el sistema de votación utilizado en el Condado de El Paso, comuníquese con el Departamento Electoral de El Paso por teléfono al (915) 546-2534. Gracias.

- Vote by themselves and make their own choices.
- Get help from a person of their choice or an Election Worker
- A physically accessible Vote Center and the use of an accessible voting machine.

NOTICE OF VOTING ORDER PRIORITY FOR VOTERS WITH CERTAIN DISABILITIES

Pursuant to Section 63.0015, Texas Election Code:

An election officer **shall give voting order priority to individuals with a mobility problem** that substantially impairs the person's ability to move around.

- A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority.
- Disabilities and conditions that may qualify you for voting order priority include paralysis, lung disease, the use of portable oxygen, cardiac deficiency, severe limitation in the ability to walk due to arthritic, neurological, or orthopedic condition, wheelchair confinement, arthritis, foot disorder, the inability to walk 200 feet without stopping to rest, or use of a brace, cane, crutch, or other assistive device.
- Voters who wish to be given voting order priority, and be accepted for voting before others in line to vote at that polling place, may indicate this to any election officer serving at the polling place. The presiding election judge shall bring the voter and the voter's assistant, if applicable, forward to the front of the line.

AVISO de PRIORIDAD de ORDEN de VOTACIÓN PARA VOTANTES CON CIERTAS DISCAPACIDADES

De conformidad con la Sección 63.0015, Código Electoral de Texas:

Un oficial de elecciones **debe dar prioridad de orden de votación a individuos con un problema de movilidad** que dificulta sustancialmente la capacidad de la persona para moverse.

- Una persona que asiste a un individuo con un problema de movilidad también puede, a petición del individuo, ser dado prioridad en el orden de votación.
- Discapacidades y condiciones que pueden calificarle para prioridad de orden de votación incluyen parálisis, enfermedad pulmonar, el uso de oxígeno portátil, deficiencia cardíaca, limitación severa en la habilidad para caminar debido a condiciones artríticas, neurológicas u ortopédicas, confinamiento de silla de ruedas, artritis, trastorno de pie, la incapacidad para caminar 200 pies sin parar para descansar, o el uso de una abrazadera, bastón, muleta u otro dispositivo de ayuda.
- Votantes que desean recibir prioridad de orden de votación, y ser aceptados para votar antes que otros en la fila para votar en el lugar de votación, pueden indicar esto a cualquier funcionario de elecciones que prestan servicios en el lugar de votación. El juez presidente de elecciones debe llevar al votante y el asistente del votante, si es aplicable, adelante al frente de la línea.

VOTERS WITH DISABILITIES

General guidelines:

- **Be respectful.** Use common sense. Voters with disabilities want to be treated the same way as everyone else. Show them the same respect you would give every other voter.
- **Just ask.** Don't be afraid to offer assistance, but don't automatically give assistance unless the person has requested it or consented.
- **Communicate with the voter.** Some voters with disabilities may have an Assistant, Interpreter, or friend with them. Always look and speak directly to the voter, not to their companion.

ASSISTING A VISUALLY IMPAIRED VOTER

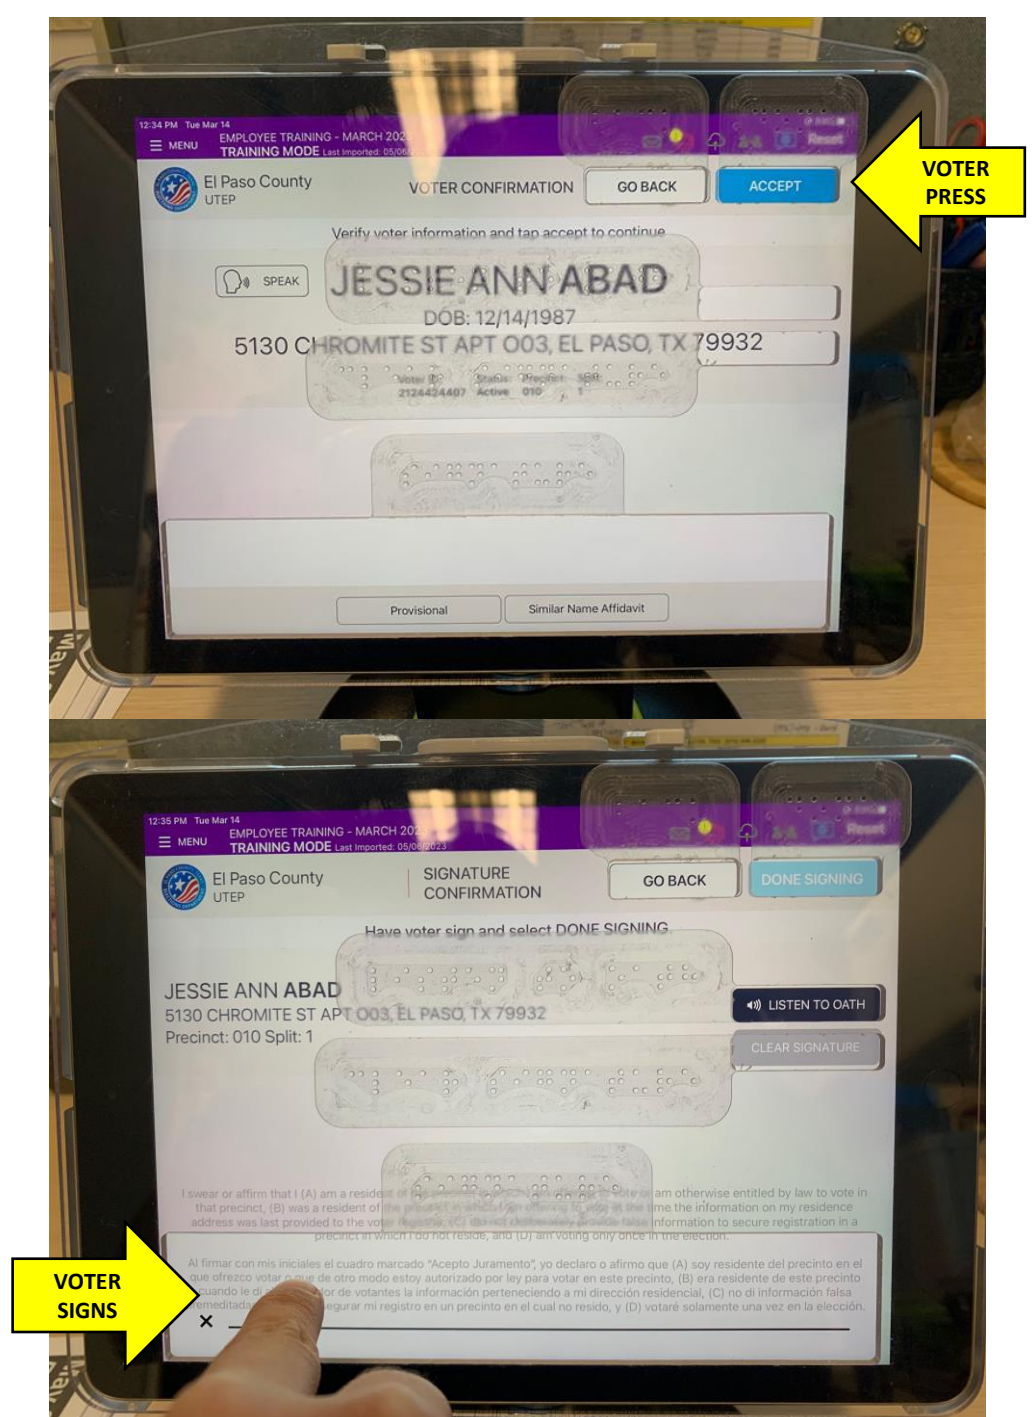

- Become familiar with the ADA keypad and headphones that comes with every ExpressVote and ExpressTouch machine.
- Hand the keypad correctly to the voter and place it in his/her hand.
- Learn to use exact language. Avoid saying, "up here," "down there," "over here," "the green button." Instead say, "on the upper right of the keypad," "the round center button," "the arrow to the left of the round center button."
- Before reaching out to touch a voter ask permission. "May I touch your hand?" "Do you want to hold my arm so I can guide you?" "Would you like to place your hand on my shoulder so you can follow me?" Keep in mind that although some visually impaired voters use a white cane, some still have a little bit of useful vision, so they may not have to be led to the voting machine.
- Speak directly to the voter even though he/she may have a companion with them. Use a normal tone. They are not deaf, only blind. They do not appreciate having their voting choices announced for all to hear.

WHAT ABOUT VOTERS WITH DISABILITIES AND TECHNOLOGY?

- Section 1.022 of the Texas Election Code provides that a provision of the Code may not be interpreted to prohibit or limit the right of a qualified individual with a disability to request a **reasonable accommodation** or modification to any election standard, practice, or procedure mandated by law or rule that the individual is entitled to request under federal or state law.
- In recent years, advances in technology have allowed cell phones, tablets and other wireless communication devices to assist voters with disabilities. **As an example, a voter may use a program/application on a cell phone to translate verbal communication into sign language, allowing the voter to understand communication by an election official.** While the situation is not expressly addressed in the Election Code, an Election Judge may use their authority to allow a voter utilization of these programs/applications at their discretion.

BRAILLE POLL PAD SCREEN

- Place the Braille Poll Pad Screen when the voter confirmation screen appears.
- This screen provides braille literacy for blind and visually impaired voters.
- Voter will be able to sign at the bottom of the screen once he/she verifies their information.

EXIT POLLING

- The Presiding Judge may allow non-disruptive exit polling within the 100-foot boundaries surrounding the Vote Center.
- The Presiding Judge must determine that such exit polling does not constitute either:
 - “Loitering” in violation of Sec. 61.003(a) of the Code or;
 - A disruption of order or a contribution to a breach of the peace at the Vote Center.
- The Presiding Judge has discretion to tell persons conducting the exit poll to go beyond the distance markers if their activities are disruptive to voters.

Sections 61.003(a), 32.075, 81.002

ELECTIONEERING

- Also known as Campaigning.
- Post distance markers 100 ft. in each direction from all entrances through which voters may enter the building in which a Vote Center is located (Secs. 61.003(a), 62.010 (a)).
- It is unlawful for a person to electioneer or loiter within the boundary established by the distance markers. An offense is a Class C misdemeanor (Sec. 61.003).
- Election Workers may not enforce the electioneering or loitering statutes outside the 100 ft. distance marker (Sec. 32.075).
- Each Vote Center will be provided with **two large distance marker cones**. You must place them 100 from each entrance through which voters may enter the building.

ELECTIONEERING

- **On September 30, 2021**, the U.S. District Court for the Southern District of Texas issued a final judgement in *Ostrewich v. Hudspeth*, a lawsuit challenging the electioneering provisions in the Texas Election Code, Secs. 61.003, 61.010, and 85.036.
- In the *Ostrewich* case, the district court upheld Sec. 61.010 but struck down Secs. 61.003 and 85.036 in the context of voters' apparel during voting as a violation of the First Amendment to the U.S. Constitution.
- Based on the district court ruling, a person may not wear apparel or a similar communicative device relating to a candidate, measure, or political party appearing on the ballot in the current election under Sec. 61.010, but a person may wear such apparel relating to a candidate, measure, or political party that does not appear on the ballot in the current election.
- This case is still in the courts and could change by the next election.

POLL WATCHERS

- “Watcher” means a person appointed to observe the conduct of an election on behalf of a candidate, a political party, or the proponents or opponents of a measure (Sec. 33.001).

The Poll Watcher...

- Must provide the Presiding Judge with a “Poll Watcher’s Certificate of Appointment” and “Certificate of Completion.” Presiding Judge, you must keep the “Certificate of Appointment” and “Certificate of Completion” in **Envelope #2** for return to the custodian of election records after the election (Sec. 66.023(7)).

- **May not** use wireless communication devices (e.g. cell phones) in a Vote Center (Sec. 61.014). The watcher must be allowed to leave to use a wireless communication device and be readmitted to the voting place, if the watcher returns promptly (Sec. 33.052(b)).
- **May not** be accepted for service if Poll Watcher has possession of a device capable of recording images or sound unless Poll Watcher agrees to disable or deactivate the device (Sec. 33.051).

POLL WATCHERS

(NEW LAW: SB 1 (2021, 2nd C.S.))

- A Poll Watcher must complete the Poll Watcher training administered by the SOS and present the certificate of completion to the Presiding Judge at the time the watcher reports for service. The Poll Watcher training will be available on the Texas Election Training Portal, **www.sos.texas.gov** (Sec. 33.051).
- Before being accepted for service, a watcher must take an oath administered by the election officer (Sec. 33.051 (a)(h)). This oath has been added to the certificate of appointment that the poll watcher presents and signs in the presence of the Presiding Judge.

Oath: "I swear or affirm that I will not disrupt the voting process or harass voters in the discharge of my duties."

Activities a Poll Watcher may observe:

- All election activities relating to closing the voting place, including the sealing and transfer of a memory card, flash drive, data storage device, or other medium now existing or later developed for use with voting system equipment.
- Follow the transfer of election materials from the voting place to the regional tabulating center, central counting station, or other location designated to process election materials.

DUTIES AND PRIVILEGES OF A WATCHER

(NEW LAW: SB 1 (2021, 2nd C.S.))

- The new law amended Sec. 33.056 to provide that a watcher is entitled to sit or stand near enough to see and hear the election officers conducting the observed activity, except as otherwise prohibited by Chapter 33. A watcher may not be denied free movement where election activity is occurring within the location at which the watcher is serving. A watcher who is entitled to “observe” an election activity under the Election Code is entitled to sit or stand near enough to see and hear the activity.
- A watcher may point out to an Election Judge or Clerk any observed irregularity or violation of law. However, if the Clerk refers the watcher to the Presiding Judge, the watcher may not discuss the matter further with the Clerk unless the Presiding Judge invites the discussion (Sec. 33.058 (b)).
- The new law amended Sec. 32.075 to provide that a Presiding Judge may not have a watcher removed from the voting place for violating a provision of the Election Code or any other provision of law relating to the conduct of elections unless the violation was observed by an Election Judge or Clerk. However, a Presiding Judge may remove a Poll Watcher for a violation of the Penal Code, regardless of whether the Election Judge or Clerk observed the violation. A Presiding Judge may call a law enforcement officer to request a Poll Watcher be removed if the Poll Watcher commits a breach of the peace or a violation of law.

POLL WATCHER OVERVIEW

NEW LAW: HB 1631 (2023, R.S.)

- Eliminated the requirement for poll watchers to serve for five continuous hours at a polling place on Election Day in order for the watcher to serve the hours they choose.

HOW TO POLITELY ADDRESS DIFFICULT ISSUES

- Electioneering

- “Excuse me, but I’m not sure if you are aware that campaigning is prohibited by law within 100 feet of the entrance to the building where the voting place is located.”

- Firearms in the Voting Place

- Approach and say, “I’m not sure if you are aware that the Texas Penal Code prohibits firearms in the voting place even if you are licensed to carry.”

- Poll Watchers

- Approach and say, “Pardon me, I noticed that you were using your phone to make notes. State law prohibits the use of wireless devices in the voting place. Please feel free to step outside briefly if you need to use your phone. It doesn’t interrupt your hours of service as long as you promptly return.”

NO POLITICKING

- As an Election Worker, your task is to manage an election, not to engage in or discuss politics.
- You must maintain a non-partisan behavior when working at your Vote Center.
- Do not attempt to influence the voter in any way.
- Do not discuss issues or candidates at the voting area, even if voters are not present.
- Do not speculate on the outcome of the election.
- Some examples: Controversial propositions, closely contested races, controversial legislation, etc.

QUALIFYING THE VOTER

- The voter should be asked whether the voter has one of the acceptable forms of photo ID that is either current or not expired more than four years.

Note: With the exception of the U.S. citizenship certificate, which does not expire, the ID must be current or, for voters aged 18-69, have expired no more than four (4) years before being presented for voter qualification at the voting place. A person 70 years of age or older may use a form of photo ID listed in the next slide that has expired for any length of time if the ID is otherwise valid.

- If the voter says “YES”, the voter is required to present that form of photo ID. If the voter informs you that he/she has an acceptable form but did not bring it to your Vote Center, the voter may vote a provisional ballot and bring the acceptable form of photo ID to the El Paso County Elections Department within 6 days to cure their ballot.

PRIMARY ELECTION & CONVENTION DETAILS

- Primary Elections are used to designate who will be a party's candidate in the General Election in each race, so voters will be selecting among members of the same party when casting their vote.
- At the polls, voters will have to choose whether they want to vote in the Democratic or Republican Primary. El Paso will host what's known as a "Joint Primary", which means everyone checks in at the same desk and uses the same voting machines.

DECLARATION OF REASONABLE IMPEDIMENT

You may not question or challenge the voter regarding their lack of acceptable photo ID.

- If the voter states that they have not been able to obtain an acceptable photo ID, and the voter, in response to your question as to whether they have a reasonable impediment or difficulty to obtaining an acceptable ID, states that they have such a reasonable impediment or difficulty, you must explain their right to complete the Reasonable Impediment Declaration and show a supporting form of ID.

You may not question the reasonableness of the voter's reasonable impediment or difficulty or the truth of the declaration.

- For example, if the voter checks “lack of transportation”, you may not challenge the voter's access to a bus route or other means of transportation.

A signed Reasonable Impediment Declaration shall be rejected only upon conclusive evidence that the person completing the declaration is not the person in whose name the ballot is cast.

Note: The form warns that false statements and false information on a Reasonable Impediment Declaration subject a person to prosecution for perjury under Chapter 37, Penal Code, or Sec. 63.0013 of the Texas Election Code.

ADDRESSES

- You should not compare the address on any ID to the address on the E-Poll Book. **They are not required to match.**
- You are only required to confirm with the voter that the address on the E-Poll Book is correct (Sec. 63.0011).
- For example:
 - Ask the voter if he/she still lives on 123 Main Street. This allows the voter to update his/her voter registration record.
 - If the voter says yes...this confirms that their registration records are up to date.
 - If the voter says no...this means that the voter needs to update their address by completing a Statement of Residence.

STATEMENT OF RESIDENCE

- If a voter moved, he/she will need to complete this form before voting.
- Or if the voter has a “Suspense” notation on the E-Poll Book, he/she must complete this form and give it back to you before voting.
- If voter refuses to complete a Statement of Residence, then he/she can only vote a Provisional ballot.
- All required fields must be complete, signed and dated by the voter.
- If possible, write the voters Voter ID number on top of the form. This will allow our office to access their voter record faster to make the changes. The voter ID can be found on the E-Poll Book during the check-in process.

SIMILAR NAME PROCESS

- If the voter's name on the E-Poll Book is not identical to the voter's name as it appears on the voter's photo ID or supporting form of ID, the Election Worker will determine, under standards adopted by the Secretary of State, if the names are "substantially similar."
- If the names are substantially similar, the voter shall be accepted for voting after he/she places their initials in the similar name box in the E-Poll Book, these procedures are outlined in the Texas Election Code, section 63.001.

QUALIFYING PROCESS

- Chapter 63 of the Texas Election Code
- Step 1: Identify voter by asking for any of the 7 acceptable forms of photo ID. If the voter fills out a Reasonable Impediment Declaration, ask for the supporting form of ID.
- Step 2: E-Poll Book. Look-up voter with photo ID or supporting form:
 - Voter's name, Date of Birth;
 - Address/Residence (does not have to match from E-Poll Book to acceptable photo ID/supporting form);
 - Any notations.

Note: If acceptable form of photo ID or supporting form does not provide an address, you do not need to ask for a second identification for verification.

QUALIFYING PROCESS

- Step 3: **Have you Moved?** Election Worker must ask every voter if they still live at the address shown on the E-Poll Book. If address is different offer voter to complete a Statement of Residence.
- Step 4: **Voter's Information.** Have voter verify his/her information on the E-Poll Book and sign his/her name on the E-Poll Book signature line (*Refer to Poll Pad Training Guide for instructions*).
- Step 5: **Provide Voter with Activation Card.** Either the Presiding Judge or Alternate Judge must initial the back of the activation card; next to the pre-printed number.
- Step 6: **Cast Ballot.** Direct voter to ExpressVote machine of their choice to mark their activation card. Once card is retrieved and marked, voter must scan marked activation card on the DS200.

Note: The address on the voter's identification **does not have to match** the voter's registration address. An Election Worker may not refuse to accept a voter's identification because the addresses do not match. Doing so is violation of the law!

- The voter may cancel his/her mail ballot and cast a regular ballot at your Vote Center by:
 - Completing the “Request to Cancel Ballot by Mail For Use in the Polling Place” (available inside *Envelope for Requests and Canceled Ballots* and;

Note to Polling Place Election Official: If a voter presents this Notice and offers to vote, the voter must surrender the Notice before being accepted for voting. If otherwise qualified, the voter may then vote a regular ballot at the polling place. You should write the word "Cancelled" on this Notice and return it in envelope #2 with other election records.

PROVISIONAL VOTER

(Sec. 63.011)

A provisional ballot must be offered to:

- A voter who does not provide an acceptable form of identification.
- A voter whose name is not an exact match or substantially similar.
- A voter whose identity cannot be verified by the identification presented.
- A voter who has received a disability exemption under but does not have Voter Registration Certificate indicating such exemption.
- A voter who has applied for a ballot by mail but has not yet properly cancelled the mail ballot application.
- A voter who votes during the polling hours that are extended by a state or federal court.

PROVISIONAL PROCEDURE

- If the voter believes they are registered, the Presiding Judge or Alternate Judge must ask if the voter registered or updated their registration at DPS or during a voter registration drive.
- If voter did go to DPS or registered through a voter registration drive, the Election Judge must write the approximate date the voter completed the application on the “Affidavit of Provisional Voter.”
- In addition to asking about DPS or a voter registration drive, it is okay for the Election Judge to ask additional information about when/how the voter believes they have registered in order to complete the provisional process:
 - When did you mail in your card?
 - What was the name/and or location for which you registered through a Volunteer Deputy Registrar or voter registration drive?

All these questions help the voter! Remember to check or mark reason seven (7) on Affidavit of Provisional Voter.

JUDGES RESPONSIBILITIES

1. Have provisional material ready.
2. Make sure all Election Workers understand that they must offer a provisional to those who are eligible.
3. Be prepared to move provisional voters out of the main line and to the side for processing, direct provisional voters to designated provisional voting area.
4. Encourage voters who have time to cure their issue to do so.
5. Keep accurate list of provisional voters.
6. Be aware that if there is time, **they can leave and return with proper photo ID or supporting form of ID.**
7. Follow the instructions and fill out all forms completely. Provisional process instructions are available inside your binder.

 2. Are not registered to vote.
- A combination form will be provided to process those voters that fall under this category.

ELECTION ADVISORY NO. 2018-08

RE: VOTER IDENTIFICATION PROCEDURES UNDER SENATE BILL 5 (2017)

- A voter may cure a provisional ballot cast due to the failure to present an acceptable form of photo identification or follow the Reasonable Impediment Declaration procedure at your voting place or a Voter Registration Certificate with an “E” notation on it by:
 1. presenting an acceptable form of photo ID; or
 2. if the voter does not possess and cannot reasonably obtain an acceptable form of photo ID, executing a Reasonable Impediment Declaration and presenting an acceptable form of supporting ID; or
 3. if applicable, submitting the affidavit for one of the temporary exemptions (natural disaster or religious objection to being photographed); or
 4. if applicable, qualifying for the permanent disability exemption to presenting acceptable photo ID or following the Reasonable Impediment Declaration procedure, within 6 days of Election Day at the Voter Registrar’s Office.
- Ballot will not be counted, if the voter fails to present himself/herself to the Elections Department to provide an acceptable form of ID within the six (6) day cure period.

VOTER HAS A REASONABLE IMPEDIMENT BUT DID NOT BRING THE SUPPORTING FORM TO THE VOTING PLACE

- If the voter states that they **DO NOT** possess an acceptable form of photo ID, and the voter would otherwise not be able to reasonably obtain an acceptable form of photo ID but has not brought a supporting form of ID to the voting place, the voter should be offered a provisional ballot.
- The voter may “cure” by appearing at the County Voter Registrar’s Office within 6 calendar days of Election Day and presenting an acceptable supporting form of ID and completing a Reasonable Impediment Declaration.

Note: The Election Worker should explain that the voter may also opt to leave the voting place and return at a later time with their acceptable form of supporting ID and vote a regular ballot after executing a Reasonable Impediment Declaration at the time.

NOTICE TO PHOTO ID PROVISIONAL VOTER

(Sec. 63.001(g))

- Only for acceptable ID (photo ID/supporting form) voters who voted provisional.
- Once “Notice of Provisional Voter” is completed by either Election Judge, inform voter to present himself/herself to the Elections Department within six (6) days from Election Day with acceptable form of ID in order to have provisional ballot counted.
- Provide voter with map which will offer directions to the El Paso County Elections Department.

SEE NEXT SLIDE FOR EXAMPLE

NOTICE TO PROVISIONAL VOTER

(ONLY For provisional voter that did not (1) present an acceptable form of photo ID and (2) complete a reasonable impediment declaration)

A determination whether your ballot will be counted will be made by the early voting ballot board after the election. A notice will be mailed to you within 30 days of the election at the address you provided on your affidavit to vote a provisional ballot indicating either (1) that your ballot was counted or (2) if it was not counted, the reason your ballot was not counted.

If you are voting in the correct precinct, **in order to have your provisional ballot accepted**, you will be required to visit your local county voter registrar's office (information below) within **six days of the date of the election** to either present one of the below forms of photo ID OR if you do not possess and cannot reasonably obtain one of the below forms of photo ID, execute a Reasonable Impediment Declaration and present one of the below forms of supporting ID OR submit one of the temporary forms addressed below (e.g., religious objection or natural disaster exemption) in the presence of the county voter registrar OR submit the paperwork required to obtain a permanent disability exemption. The process can be expedited by taking this notice with you to the county voter registrar at the time you present your acceptable form of photo identification (or if you do not possess and cannot reasonably obtain one of the below acceptable forms of photo ID, execute your Reasonable Impediment Declaration and present one of the below forms of supporting ID, or execute your temporary affidavit or provide your paperwork for your permanent exemption); however, taking this notice is not a requirement.

Voter must appear before Voter Registrar by:

MARCH 11, 2024

Date

Acceptable Forms of Photo Identification

- Texas Driver's License issued by the Department of Public Safety (DPS)
- Texas Election Identification Certificate issued by DPS*
- Texas Personal Identification Card issued by DPS.
- Texas Handgun License issued by DPS.
- United States Military Identification Card containing the person's photograph.
- United States Citizenship Certificate containing the person's photograph; or
- United States Passport (book or card).

With the exception of the U.S. citizenship certificate, the identification must be **current** or, for voters aged 18-69 years, have expired no more than 4 years before being presented for voters' qualification at the polling place. A person 70 years of age or older may use a form of identification listed above that has expired if the identification is otherwise valid.

Reasonable Impediment Declaration: If you do not possess one of the forms of acceptable photo identification listed above, and cannot reasonably obtain such identification, you may execute a Reasonable Impediment Declaration and present a copy or original of one of the following supporting documents: (1) a government document that shows your name and an address, including your voter registration certificate; (2) current utility bill; (3) bank statement; (4) government check; (5) paycheck; or (6) (a) a certified domestic (from a U.S. state or territory) birth certificate or (b) a document confirming birth admissible in a court of law which establishes your identity (which may include a foreign birth document).

The address on an acceptable photo identification or a supporting document does not have to match your address on the list of registered voters.

PERMANENT EXEMPTION

During the cure period, voters with a disability may apply with the county voter registrar for a **permanent exemption** to present an acceptable photo identification or following the Reasonable Impediment Declaration procedure in the county.
