**PROPOSITION A**

SECTION 2. One or more District election precincts are hereby established for the purpose of holding the Election, and one or more polling places are hereby designated for holding the Election in the County election precincts as identified in Exhibit A to this Resolution (which is incorporated herein by reference for all purposes). In the event such permanent and/or temporary branch locations are established, information regarding the locations, dates, and hours of operation for early voting at these offices shall be determined by the Administrator as identified in Exhibit B hereto.

An Early Voting Ballot Board is hereby established for the purpose of processing early voting results. The individual designated in Exhibit B as the Presiding Judge of the Early Voting Ballot Board is hereby appointed the Presiding Judge of the Early Voting Ballot Board. The

SECTION 3. Electronic voting machines may be used in holding and conducting the Election on Election Day; provided, however, in the event the use of such electronic voting machines is not practicable, the Election may be conducted on Election Day by the use of paper ballots (except as otherwise provided in this section). Electronic voting machines or paper ballots may be used for early voting by personal appearance (except as otherwise provided in this section). Pursuant to Section 61.012, as amended, Texas Election Code, the County shall provide at least one accessible voting system in each polling place used in the Election. Such voting system shall comply with Texas and federal laws establishing the requirement for voting systems that permit voters with physical disabilities to cast a secret ballot. Any legally permissible voting method may be used for early voting and Election Day voting by personal appearance. Certain early voting may be conducted by mail.

SECTION 4. The District is authorized to utilize a Central Counting Station (the Station) as provided by Section 127.001, et seq., as amended, Texas Election Code. The Administrator, or the designee thereof, is hereby appointed as the Manager and Presiding Judge of the Station and may appoint Station clerks and establish a written plan for the orderly operation of the Station in accordance with the provisions of the Texas Election Code. The Board hereby appoints the Administrator, or the designee thereof, as the Tabulation Supervisor and the Administrator, or the designee thereof, as the Programmer for the Station. Lastly, the Administrator will publish notice and conduct testing on the automatic tabulation equipment relating to the Station and conduct instruction for the officials and clerks for the Station in accordance with the provisions of the Texas Election Code.

SECTION 5. The official ballot shall be prepared in accordance with the provisions of the Texas Election Code, as amended, so as to permit voters to vote “FOR” or “AGAINST” the aforesaid proposition which shall appear on the ballot substantially as follows:

LOWER VALLEY WATER DISTRICT PROPOSITION A

“THE ISSUANCE OF BONDS IN AN AMOUNT NOT TO EXCEED \$35,000,000 FOR WATERWORKS, SANITARY SEWER, STORM SEWER, AND SOLID WASTE DISPOSAL SYSTEMS AND THE LEVYING OF A TAX IN PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS.”

SECTION 6. All resident, qualified voters of the District shall be permitted to vote at the Election, and, on Election Day, such voters shall vote at the designated polling places. The Election shall be held and conducted in accordance with the provisions of the Texas Election Code, as amended, except as modified by the provisions of the Texas Government Code, as amended, and as may be required by law. To the extent required by law, all Election materials and proceedings shall be printed in both English and Spanish.

SECTION 7. Notice of election, including a Spanish translation thereof, shall be published in a newspaper of general circulation in the District not more than 30 days, and not less than 10 days, prior to Election Day.

Moreover, a substantial copy of this Resolution and the voter information attached as Exhibit C, including a Spanish translation thereof, shall be posted at least 21 days prior to Election Day (i) on the bulletin board used for posting notice of the Board; (ii) at three additional public places within the District, (iii) in a prominent location at each polling place on Election Day and during early voting, and (iv) in a prominent location on the District's internet website. A sample ballot shall be posted on the District's internet website not less than 21 days prior to Election Day.

SECTION 8. As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Texas Election Code, the District, as of the date of this resolution, had outstanding an aggregate principal amount of debt equal to \$24,995,000; the aggregate amount of the interest owed on such District debt obligations, through respective maturity, totaled \$10,198,300; and the District levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.047965 per \$100 of taxable assessed valuation. Based on the bond market conditions on the date of the Board's adoption of this Resolution, the maximum interest rate for any series of bonds authorized at the Election is 5.50% (expressed as a net effective interest rate applicable to any such series of bonds). The bonds that are the subject of this Election shall mature serially or otherwise over a specified number of years (but not more 40 years from their date), as prescribed by applicable Texas law, though the District estimates that, based on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The foregoing estimated maximum net effective interest rate and amortization period are only estimates, provided for Texas statutory compliance; they do not serve as a cap on the per annum interest rate at which any series of bonds authorized at the Election may be sold, or the amortization period for bonds that are the subject of this Election.

SECTION 9. The Board authorizes its President or General Manager, or the designees thereof, to negotiate and enter into a joint election agreement or agreements with any other political subdivisions with territory within the County who are also conducting elections on Election Day in accordance with the provisions of the Texas Election Code, as amended, as determined to be necessary or desirable, and to make such technical modifications to this Resolution that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board is evidenced herein. In addition, the District authorizes its President or General Manager, or the designees thereof, to make such technical modifications to this Resolution that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Board, as evidenced herein.

SECTION 10. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the Board.

SECTION 11. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict,

and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

SECTION 12. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 13. It is officially found, determined, and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 14. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Resolution would have been enacted without such invalid provision.

SECTION 15. This Resolution shall be in force and effect from and after the date of its adoption, and it is so resolved.

YOU WILL, THEREFORE, take notice of all the matters and facts set out in the foregoing Notice of Election.
